

AmeriAxis Foundation Organizational Profile

AmeriAxis Foundation is a registered 501(c)(3) global humanitarian organization dedicated to building sustainable solutions through our innovative COMPASS framework. We deploy specialized emergency response teams and long-term development programs in the world's most vulnerable regions and conflict zones.

OUR COMPASS FRAMEWORK

We operate through four integrated axes of care:

- **HEALTH AXIS:** Emergency medical response, mobile clinics, disease prevention, maternal health services, and medical supply distribution
- **MIND AXIS:** Mental health support, trauma counseling, psychological first aid, autism services, and community wellness programs
- **LEARNING AXIS:** Emergency education, digital schools, vocational training, literacy programs, and teacher development
- **OPPORTUNITY AXIS:** Women's economic empowerment, micro-enterprise development, sustainable livelihoods, and agricultural training

GLOBAL OPERATIONS

We maintain active humanitarian programs in 25+ countries across six continents, with priority response in:

Middle East: Gaza, Yemen, Syria emergency medical missions

Africa: Sudan, Malawi, South Africa, DRC refugee support

Europe: Ukraine conflict response and displacement support

Global: Disaster preparedness and emergency response readiness
