

AmeriAxis Foundation Organizational Profile

AmeriAxis Foundation is a registered 501(c)(3) global humanitarian organization dedicated to building sustainable solutions through our innovative COMPASS framework. We deploy specialized emergency response teams and long-term development programs in the world's most vulnerable regions.

OUR COMPASS FRAMEWORK

We operate through four integrated axes of care:

- **HEALTH AXIS:** Emergency medical response, mobile clinics, disease prevention, maternal health services, and medical supply distribution
- **MIND AXIS:** Mental health support, trauma counseling, psychological first aid, autism services, and community wellness programs
- **LEARNING AXIS:** Emergency education, digital schools, vocational training, literacy programs, and teacher development
- **OPPORTUNITY AXIS:** Women's economic empowerment, micro-enterprise development, sustainable livelihoods, and agricultural training
